

Admission Test Requirements

Students Applying for Grades 9–12

Bradford Christian Academy accepts the SSAT (Secondary School Admissions Test) to fulfill the admission test requirement. We also accept the High School Placement Test (HSPT).

SSAT testing dates and locations (all Saturdays) are on the SSAT website, www.ssat.org, including international locations.

We recommend that every applicant taking the SSAT complete the sample practice test online at www.ssat.org. It will familiarize the student with the test format and questions similar to those on the SSAT. Practice books which include two full-length practice tests are available on the website.

International Students must submit SLEP or TOEFL test results in addition to the admission test results.

Students Applying for Grades 5–8

U.S. Students: After receiving the application and fee a BCA representative will contact the applicant to register the student for a test date. An interview will be scheduled when the application and testing are completed.

Test Dates

December 3, 2016	April 29, 2017
January 21, 2017	May - TBD
March 18, 2017	June - TBD

International Students: Please email Marge.Squire@bradfordchristianacademy.org to request test materials. SLEP or TOEFL test results must be submitted in addition to any other standardized test available.

Students Applying for Grades 1-4

Students applying for grades 1-4 will not take a written admissions test. Instead, these applicants participate in a screening and skills assessment in a separate setting at the time of their admissions interview.
