

High School Open House & Orientation 2017-2018

Monday, August 28, 2017
12:00pm-3:00pm

All new students in Grades 9-12 are invited to our High School Orientation on **Monday, August 28 from 12-3pm**. All new students, including new incoming 9th grade students, transfer students, Post Graduate students and International students are encouraged to attend. The High School Orientation will begin at 12:00pm at the BCA High School location. Please enter through the front doors on Main Street.

The Orientation will provide students with an opportunity to meet and greet their teachers and future classmates. We will tour the school building and make sure that students know how to find their classrooms, the bathrooms, and their lockers. Students will get schedules and will move through a typical day to practice finding their classrooms. We will also tour community spaces, go over school procedures, and get a sense of student life and extracurricular activities at BCA. The Orientation will conclude with an ice cream social from 2:30-3pm; pick up will be directly after the ice cream social.

Parents please note: Parents are invited to join the High School Orientation for a tour of the building and Q&A time at 2:30pm. Parents who are not able to join this tour but would like to arrange for a tour of the high school are encouraged to reply to email Ms. Thurston at cheryl.thurston@bradfordchristianacademy to set up an alternate time.

Parents not attending the Parent Tour at 2:30pm may arrange for pick up of students at 3pm at the Main Entrance of the high school. We look forward to greeting our new high school members on Monday, August 28th at 12:00pm.
