It’s Summer!

Dear Rising Fourth Graders,

I know that you are so excited that it is summer. I am too! It is so great to have some free time to spend doing activities of your choice.

You have spent the last few months working very hard on your reading and math skills. If you do not practice over the summer, many of the things you learned will disappear.

In this packet, you will find some ways to help your mind stay full of the things you have learned this year. This will help you be ready to go in the fall. Keep track of the books you read and bring the list back to school in August. You are required to write a one paragraph summary for one chapter book that you read over the summer. You should submit your writing in paragraph form on a lined sheet of paper. You may handwrite the paragraph or type it and print it if you prefer.

The reading bingo board is an optional way to track your reading. The math pages are HIGHLY recommended, but not required.

Please bring all of your items to school with you in August.

I can’t wait to hear about all of your adventures! Happy Reading and Math Practicing!

Love,

Mrs. Scharlach
School Supply List Grade 4

- two 3-ring binders with 1 inch spines, any color (one will stay at school)
- one pack of 5 Plastic Dividers WITH POCKETS for 3-ring binder
- two dozen #2 pencils (Ticonderoga brand preferred)
- 24 count set of colored pencils (We will use these daily!)
- scissors
- hand-held pencil sharpener
- pencil case or cases that hold all your art and writing supplies AND fits in your desk
- pencil top or hand-held erasers
- six composition notebooks with at least 100 pages each (not spiral)
- one large white Elmer's school glue (We will use this up! Maybe stash a second one away for after Christmas.)
- 2 boxes of tissues to be donated to the classroom supply
- Expo Dry Erase markers—any size or color (for YOU!)
- regular markers, one package of thick and one package of thin (or Crayola Super Tips which can do both)
- old shirt for messy art projects
- one clipboard
- one pair of headphones or earbuds to stay at school (please label with name)

You may bring your supplies to Open House in August

You may email me with any questions!
