Community Service Hours Verification Form

One of BCA's Core Values is Service

BCA strives to teach students to live as people, who exercise their God-given gifts to improve the world around them. Because God gifts each of us differently, we each serve differently. As a school community, we work together to understand our giftedness. We engage in service as individuals and groups to lift, cheer, improve, transform, and relieve suffering and need. We recognize that, as we serve, we are following God's call to do so, and that God uses our service to make us more like Him.

Each student at BCA is responsible for a minimum of 15 hours of community service per year. These forms must be signed by the person responsible for supervising the service activity. Students may not be paid for community service. The person signing the form in verification of the community service hours may not be a family member. Hours must be completed by April 14, 2023. Completed forms must be turned in to the student's Bible teacher.
