

Middle School Supply List 2026-2027

One of our primary goals in middle school is to help students learn organizational skills and personal responsibility that will set them up for success. This includes coming to each class with necessary supplies and completed assignments and organizing assignments according to their classes.

Grades 7 & 8

Basic Scientific Calculator for Pre-Algebra and Algebra I, such as TI-30X

Grade 8

For the upcoming school year, we would like to revisit allowing Grade 8 students the chance to bring computers or a chromebook to school. Having them in school everyday will be beneficial to them and to our program, provided they stay focused and appropriate.
